### CONFIRMATION OF EMBRYO TRANSFER

- Please ensure this confirmation form is sent to the FPSSA office within 7 day of the confirmation of 30 days in foal.
- The FPSSA offices require the confirmation of Embryo Transfer form to be filled out with **each insemination**. As long as the Donor Mare, Surrogate Mare and Stallion remain the same the Embryo Confirmation form does not need to be completed again.
- This form must be completed by a certified vet
- DNA will be required from the foal either at the time of Chipping or Judging
